We, the members of Art & Soul, desire to support ourselves and each other in artistic expression and spiritual growth. We acknowledge the practical need for and benefit of having a physical space in which to gather, work, play, and celebrate. We also acknowledge the value of Art & Soul classes, workshops, and other offerings to the wider community and wish to support their continuance. In order to create a cohesive community and maintain a physical space, we recognize the importance of financial sustainability as well as commitments of time and energy. To these ends, we ask each member to make a personal and financial commitment to Art & Soul.
